

End of Season

### **Equipment Return**

Equipment return times will be scheduled and communicated by the Uniforms and Equipment Director.

### **Return Referee Payment Verification Forms.**

Completed forms need to be turned in at the end of the season. These can be dropped off at team manager meetings, or mailed to Ann Liberty at 16450 Harwell Avenue, Lakeville 55044.

### **Player Evaluations**

At the end of every season, fill out evaluation forms for the players on your team. These can be used, if you like, to talk with each player about strengths and improvement opportunities. VUSC uses these as part of the player selection process for building teams for the next season. This input from past season coaches gives us valuable information to help augment tryout results. The form is available on the VUSC website, <http://www.vusc.org/> under Documents -- VUSC. As coaches, it is imperative that you do this for your players. It helps provide information that may not be visible during the evaluation exercises.

### **Coach Evaluations**

It is important that a parent representing each player fills out the online Coach Evaluation form. Feedback is a gift and this information benefits both the coach and the club. Coaches will need an appropriate "approval rating" to be reinstated the following season.

### **Volunteer Appreciation Parties**

During October or November VUSC puts on a party to thank and appreciate all of our coaches and team managers. Please try to attend, you'll find it fun and worth your time.

In late July or early August, VAA has an annual volunteer appreciation night at the Apple Valley Aquatic Center. Details can be found on the VAA website, <http://www.valleyathletic.org/>.
